

ETIAS and ETA

ETIAS and **ETA** are travel authorisation schemes being implemented for visa-exempt nationals to visit certain European countries. The table below summarises and illustrates similarities and differences between the two schemes. Visa-exempt travellers travelling to the Schengen Area should also note the new scheme EES being implemented before ETIAS.

Further information on the EU schemes (EES and ETIAS) and UK scheme (ETA) as well as official communication resources can be found on ETOA's visas and borders webpage:
